------------------	------------------

As a member of the CSA at the Cameron Place, I am making a financial commitment for the 2012 season. I recognize that due to the inherent risks of farming, there are no guarantees on the exact amount of produce I will receive, but I am willing to share the risks and reap the benefits along with the farmers. I understand that no refunds for CSA shares will be granted during the season. It is my responsibility to pick up my share at my selected pickup site during the designated time period, or to send someone in my absence.
