When you buy a whole or half a beef, you determine how the meat is cut and packaged to suit your family size and cooking style. There are fewer options with a quarter beef although more than if you were buying retail. **We require a \$50 (1/4) or \$100 (1/2 or whole) non-refundable deposit at the time you place your order.**

Whole or Half Beef	\$2.95 /lb. hanging weight plus processing
Quarter Beef	\$3.10/lb. hanging weight plus processing

Hanging weights average between 550 -625 lbs. per beef. The amount of meat you take home is approx. 60% of hanging weight. **Our bulk orders are processed by Prestige Meats**, a family-owned and operated custom butcher shop. They charge a \$50 killing fee for beef plus \$.40 /lb for processing, with additional charges for processed cuts, such as ground beef patties or minute steaks. A delivery charge will be applied if we transport your order to a distribution site. Likewise we will discount your order if you arrange to pick up your order directly from the butcher. You may pick up your order at the farm. If we are asked to hold your order in our freezers for more than two weeks, a small freezer rental charge will be applied.
